

Hartslock Nature Reserve Visit

20/07/2019, 11:00 to 13:00

PR, SS, JS, KW, LW, RS, PG, JvW

Windy, partly cloudy & sunny after overnight rain and morning shower, ~20C

Holly Blue (1) – shrub habitat, therefore Holly not Common? (no photo)

Red Admiral (2) (no photo)

Ringlet (>5)

Meadow Brown (many) (no photo)

Marbled White (many)

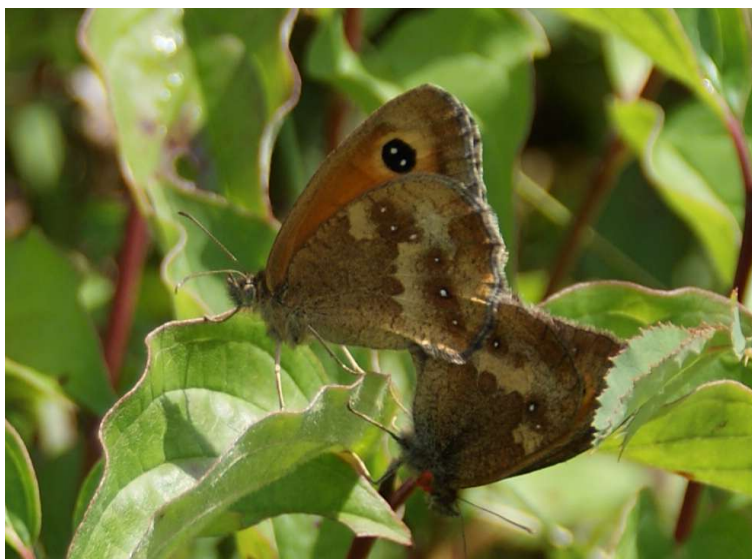

Small White (many) I think

Large White (many) (no photo)

Gatekeeper (many)

or perhaps Lulworth Skipper, Sue??

Large Skipper (1)

Comma (1 on Thames Path)

Common Blue (2) (uniform white margin to the wing)

Brimstone (2) (no photo)

Six-spot Burnet (not a butterfly but still pretty!)

Unidentified species

size and colouration: various

habit: sociable and seemed friendly when approached

call: thin warble, similar to chiffchaff, or perhaps blackcap, Karen??
